APPOINTS LESLEY FRANCIS PR

SAVANNAH, GA – Sept. 7, 2016 – Megan Myrick Photography recently announced the appointment of Lesley Francis Public Relations (LFPR). Lesley Francis and her team are working closely with Megan Myrick and her assistant, Lauren Gable, and will be responsible for media relations, copy writing, facilitating community outreach and other marketing initiatives.

Megan Myrick Photography is based in Richmond Hill and specializes in newborn, maternity, baby, child and family photography around the Coastal Georgia area. Myrick, an international award-winning photographer, provides her clients with a custom portrait experience resulting in timeless, heirloom-quality art for families to cherish for years to come.

A native of Washington state, Myrick and her family moved to Richmond Hill over three years ago due to her husband's military service. She brought her photography business with her and built an even bigger client base in Georgia. Myrick moved her operation to a larger studio in Richmond Hill Court in March and celebrated five years in business in July.

British-born Lesley Francis is a graduate of the University of Bristol (England) and has extensive experience in London-based, global media agencies. In 1998, Lesley founded **hsd**communications, an award-winning, London-based agency that she grew from one person to a UK top 25 PR firm. She sold her business in 2007 to Gyro International, a global group with offices in 11 countries, and ran their worldwide PR before relocating to the USA, where she became a naturalized American citizen and founded LFPR. Her boutique public relations agency specializes in nonprofit organizations as well as local businesses. LFPR's client list includes The Savannah Philharmonic Orchestra and Chorus, Ogeechee Riverkeeper and The Savannah VOICE Festival.

"I'm looking forward to working with Lesley and her exceptional team on a variety of publicity-based projects and outreach initiatives going forward. I love this community – it's where my family and I have put down roots, so I'm firmly entrenched in the area. I'm excited to form connections with other families and would be honored to help preserve their memories and milestone moments," Myrick said.
